Sewing Machines* - **ALWAYS** choose a sewing machine where the stitch length & width can be changed independently – 2 separate dials/screens – this will give you so many more opportunities for sewing skills.

- Janome J3-24 – basic for craft & lightweight sewing – around £199.00
- Janome CXL 601 – excellent machine for Beginners – crafts, dressmaking, cushions – from £399.00
- Janome DXL 603 – we use these for all our classes – so try here before you buy - crafts, dressmaking, cushions, curtains – from £429.00 – [GTS in Banbury, Oxfordshire](#)
- Janome TXL 607 – excellent machine for those wanting to invest - we use one of these too – so try here before you buy - suitable for crafts, dressmaking, cushions, curtains – from £499.00
- Brother Innov-is 350SE – excellent machine for those wanting to invest – suitable for crafts, dressmaking, cushions, curtains – lots of embroidery stitches - £599.00

Embroidery Machines* – these below are embroidery only – you can buy combined sewing & embroidery machines.

- Brother 750E – Embroidery only – excellent machine – we use Brother Machines here & you can ‘try before you buy’ on our courses – use our designs to take away samples - £899.00
- Brother Innov-is V3 – superb embroidery only unit – you can try this machine here & use all our designs to make samples before you go & buy one - £1,999.00

Overlockers* - Arrange with your local shop to sit & try for yourself – or try ours on our courses before you buy one.

- Brother 1034D - around £199.00
- Jaguar 2015 – around £349.00
- Bernina 1150MDA - around £595.00

Where to buy* - It is best to buy from an independent shop, as easy to call upon if you need help & these 5 are the best around. We do not sell machines or receive commission, but are happy to know you will have a good deal!
