Sewing Tuition - Soft Furnishings Certificate Course - Level 3 – to July 2018

Welcome to the Sewing Tuition 10 day Certificate Course. This programme has been designed for those wishing to start their own small business whilst based at home or for personal achievement – the sessions are nicely spaced out, to fit in with your lifestyle. (Samples are based on the most popular used today)

Your days will be in a relaxed, clean and inspirational environment, working at your own pace in our professional sewing workroom. You will have access to our equipment during your time here & advice on their uses. You will receive first-hand small business advice, based on 35 years practical & 25 years teaching experience, on this specially designed course in Oxfordshire.

You will learn how to make an item in class under expert supervision, along with ongoing question & answers during your time in our Sewing Tuition workroom – do ask as many questions as you wish!

You do not need to bring anything along – just your favourite sewing machine or use ours - as everything is included for you to complete your ‘samples’. Based on past courses, learners have preferred to use our fabrics (included) for the first sample made here, and then use our fabrics to make the second piece at home, so any adjustments can be discussed during class, ready to perfect your final piece.

After each day here, you will take home notes, manuals & your relevant sample. You will then have the notes to refer to, along with your sample to recap on, to enable you to make your replica piece at home, at your leisure. You will then bring it along for assessment when completed at home, which will then go towards your final certificate of your achievements at Sewing Tuition.

There will be opportunities to learn other techniques that will assist you with your journey whilst attending. Session times are 10am to 4pm for your small group, ‘one on one’ tuition.

We aim to help you achieve your goals, supporting you in-between your days in our workroom.

“If you can’t do it alone – let’s do it together”
