

Teaching & Learning Report from Abingdon and Witney College Adult Learning

Sue Hazell is one of our outstanding tutors in Oxfordshire Adult Learning. She has expert subject knowledge & plans session contents that are achievable.

- Extensive array of equipment & encompasses health & safety
- Prior assessment shows forward planning to suit individual needs
- Handouts are at the appropriate levels with others available
- Technical speak as appropriate to level of learning & great atmosphere created delivery at appropriate pace for learners' individual needs

Learners' may have little or no knowledge at the start of their course, but the evidence shows they recognise their progress & are aware of the actions required to improve

- Good atmosphere, inclusive learning environment & expectations reached
- Achievement & progress recorded & shared with learners
- Learners individual needs are identified & responded to
- Session outcomes met with learners achieving
- Learner felt real progress with advice & feedback
