- Once you have your new machine, bring it to class & I can show you how to get the best from it.

Overlocker – Frister Rossmann 234D – anything from £229.00 to £349.00

Arrange to sit & try them for yourself, then, bring it along to class to get even more out of it ! (Do check prices before you purchase any of the above machines, as we cannot be responsible for price changes with individual shops mentioned below)

Where to buy -

It is best to buy from an independent shop, as easy to call upon if you need help & these 6 are the best around. I do not sell them or receive commission!
