Sewing Tuition – Creative Crafts Certificated Course

10 Wednesdays – September 2020 to July 2021

Welcome to the Sewing Tuition 10-day Certificated Course. This programme has been designed for personal achievement or for those wishing to start their own small business. Your sessions here at Sewing Tuition are nicely spaced out, to fit in with your lifestyle. You will make real sized crafts, based on a variety of techniques. Plus, lots of sewing tips & fabrics packs included too !

Your days will be in a relaxed, clean and inspirational environment, working at your own pace in our professional sewing workroom. You will have access to our equipment during your time here & advice on their uses. You will receive first-hand small business advice if required, based on 40 years practical & 30 years teaching experience, on this specially designed course in Oxfordshire.

You will learn how to make an item in class under expert supervision, along with ongoing question & answers during your time in our Sewing Tuition workroom – do ask as many questions as you wish!

(Option to have an extra session prior to starting this course, if refreshing on a sewing machine needed)

Session	Subject	Wednesdays
1	Bags – lined tote with zipped inner pocket	

2	Waistcoat/Body warmer ready for the Autumn	 <p>Courtesy of Simplicity.com</p>
3	Waistcoat/Body warmer ready for the Autumn	 <p>Courtesy of Simplicity.com</p>
4	Boxed Cushions	

5	Patchwork Pouffe	
6	Patchwork pouffe continued	
7	Washbag – select a style & personalised	

<p>8</p>	<p>'A' lined skirt ready for the Summer</p>	
<p>9</p>	<p>'A' lined skirt ready for the Summer continued</p>	
<p>10</p>	<p>Items on an Overlocker (picture just an example of many items you can achieve)</p>	

You do not need to bring anything along – just your favourite sewing machine or use ours - as everything is included for you to complete your ‘samples’ & assessment pieces.

After each day here, you will take home notes, manuals & your relevant sample. You will then have the notes to refer to, along with your sample to recap on, to enable you to make your replica piece at home, at your leisure. You will then bring it along to a later session for assessment when completed at home, which will then go towards your final certificate of your Craft Making achievements at Sewing Tuition.

There will be opportunities to learn other techniques that will assist you with your journey whilst attending. Session times are 10am to 4pm for your small group, ‘one on one’ tuition.

We aim to help you achieve your goals, supporting you in-between your days in our workroom.

“If you can’t do it alone – let’s do it together”

The total cost of the above 10 date course is £2,647.00 (discount available for previous attendees)

A 50% deposit secures your place – spaces are limited

(programmes may be subject to changes)
